

NAoAB Biography

LINDA (ANDERSON) BUTTS – Vice President Communications

Linda is honored to be a part of the organizing team of NAOAB and to serve as the non-profit's first VP of Communications.

She is a 1971 Magna Cum Laude graduate of the University of Georgia, with a BBA degree in Marketing. Throughout her business career, she developed advertising and marketing projects for clients across the country and was president of her own marketing consulting firm for over 30 years.

Linda is one of only three alumni that has marched in every UGA Redcoat Alumni Band performance since its 1974 inception. Currently she serves as Registered Agent for the Redcoat Band Alumni Association, Inc. and previously has been President and VP. She also handles the trademark licensing of the Redcoat's "Legacy Logo" and the royalties received go directly to help the current band.

In retirement, Linda has enjoyed performing with Northwinds Symphonic Band (Gainesville, GA), Suncoast Concert Band (Sarasota, FL), Venice Concert Band (Venice, FL), and FluteSong flute choir (Sarasota). In November 2019, she was honored to perform with the Second Time Arounders Marching Band in the Macy's Thanksgiving Day Parade in NYC. And, playing at the Windjammers annual convention each January in Bradenton FL is a favorite piccolo experience!
